

Name	Definition	INCI name
4K Revolutionary Blend	Allows for deeper hydration and longer lasting tanning results as well as better penetration of the high-end skin care ingredients, while also working to blur imperfections and allow for a crystal-clear complexion.	Proprietary Blend
5x Antioxidant Blend	Containing Lychee, Orange, Grapefruit, Pomegranate and Acai Berry that helps to fight free radical damage.	Proprietary Blend
Abyssine™	Enhances the skin's moisture retention, provides antioxidant effects, and supports the skin's barrier function while helping to combat irritation.	Alteromonas Ferment Extract
Acai Berry	Rich in antioxidants, Acai Berry helps to protect the skin from free radical damage.	Euterpe Oleracea Fruit Extract
AcquaCell™	Rapid fine line & wrinkle reducer.	Proprietary Blend
AdipoSlim™	An AminoVector™ of Proline with a caffeine like effect to provide a slimming appearance to the skin that works on the elimination of fat storage as well as cellulite formations.	Chenopodium Quinoa Seed Extract
Advanced Matrixyl Synthe 6™	Six powerful anti-aging peptides that reduce the appearance of fine lines and wrinkles for long-lasting results.	Proprietary Blend
Agave	Helps to tighten sagging skin and soothing any inflammation while keeping the skin moisturized.	Agave Rigida Extract
ALA Technology	Prolongs the life of healthy skin cells for a more youthful appearance to the skin.	Proprietary Blend
Almond Oil	Helps to maintain a healthy and radiant glow to the skin by keeping the skin naturally soft and hydrated and protecting against water loss.	Prunus Amygdalus Dulcis Oil
Aloe Vera Gel	Works both in and outside cell membranes to provide serious anti-aging benefits. Healing moisturizer that helpsto extend the life of your tan.	Aloe Barbadensis Leaf Juice
Amino Acid Complex	Contributes to skin health by supporting collagen production, maintaining hydration, and aiding in the repair and renewal of skin cells, while also helping to balance the pH levels in the skin.	Proprietary Blend
Antioxidant Blend	A blend of antioxidants that work to bind moisture to the skin while working to protect against any free radical damage.	Proprietary Blend
Anti-Reddening Formula	Formula that has been blended with color correcting agents to work against red tones and inflammation in the skin to maintain an even complexion.	Proprietary Blend
Apple Extract	Boasts a rich vitamin content including Vitamins A, C and zinc which are compounds to help promote a healthy appearance to the skin.	Pyrus Malus Fruit Extract
Apple Cider Vinegar	Helps to absorb excess oils, unclogs b locked pores and soothe irritation. It also has the power to help restore the natural pH balance to the skin.	Pyrus Malus Fruit Extract
Apricot Oil	Natural humectant combats dry skin and provides extended hydration by drawing moisture from the air.	Prunus Armeniaca Kernel Oil
Aquaxyl™	Helps to quench extreme skin dehydration allowing for a softer and more hydrated appearance.	Xylitylglucoside Anhydroxylitol Xylitol
Argan Oil	Delivers a velvety smooth feeling to the skin while locking in moisture for the entire day.	Argania Spinosa Kernel Oil
Auto Darkening Complex	A proprietary blend that allows tanning results to develop more rapid and even for desired color perfection quickly.	Proprietary Blend
Avocado Butter	Known to help slow signs of premature aging and wrinkle, rehydrate the skin which long term helps with promoting an even skin tone.	Persea Gratissima Oil
Avocado Extract	Helps counteract reddening in the skin caused by irritaiton, reddening, and razor burn.	Persea Gratissima Oil
Bakuchiol	Potent agent that works by increasing cell turnover, thereby stimulating collagen production and diminishing wrinkles, skin laxity, and overall photo damage.	Bakuchiol
Banana Extract	Works to improve the skins moisture barrier and strength, calm redness, protect against environmental dehydration, and work as a vital component in maintaining hydration levels in the skin.	Musa Sapientum Fruit Extract

Name	Definition	INCI name
Baobab	Very rich source of calcium and vitamins.	Adansonia Digitata Oil
BB Cream Formula	Will hydrate the skin and mask imperfections while leaving an airbrushed, flawless result.	Proprietary Blend
Beeswax	Contains skin conditioning and healing properties.	Beeswax
Bergamot	Repairs dry skin while reducing excess oil to provides a healthy-looking glow.	Citrus Aurantium Bergamia Fruit Oil
Bioactive Tetra Peptides	Activates collagen production and decreases appearance of fine lines, wrinkles and skin's overall roughness.	Proprietary Blend
Black Cumin	Reduces oily skin and clogged pores. Moisturizes, and reduces the appearance of dark spots.	Nigella Sativa Seed Oil
Blackberry Extract	Boosts the production of collagen and elastin improving the skin's firmness and elasticity.	Rubus Villosus Fruit Extract
Black Tea Extract	Helps to reduce puffiness, enlarged pores and blemishes in the skin while absorbing excess oil and defending the skin from environmental pollutants.	Camellia Oleifera Leaf Extract
Black Walnut Extract	A natural bronzer.	Juglans Nigra Leaf Extract
Blue Hued Bronzing Blend	Allows your skin to develop natural, dark brown "just from the beach" color.	Proprietary Blend
Blueberry Extract	Possesses supercharged antioxidant and anti-inflammatory powers and aids in improving microcirculation.	Vaccinium Angustifolium Fruit Extract
Blue Tansy™	Flower extract that contains calming and healing properties while using blue hues to counteract orange tones in the skin to provide most natural color possible.	Tanacetum Annum Flower Oil
BodyFit™	Reduces the appearance of cellulite and restores firmness.	Proprietary Blend
Brazilian Bacuri Butter	Seals in moisture and rejuvenates your skin with a burst of essential fatty acids and amino acids for softer, longer lasting results.	Platonia Insignis Seed Butter
Bronze Boost Complex	A combination of Melatime, Carrot and Argan oils to stimulate melanin activity for enhanced pigmentation. Penetrates through dry layers of skin for softer results and helps to fill in fine lines and wrinkles, while protecting against premature aging of the skin.	Argania Spinosa Kernal Oil Palmitoyl Tripeptide-40 Daucus Carota Sativa Seed Oil
Butter Blend	A blend of 6 butters, Capuaçu, Monoi, Mango, Cocoa, Shea & Carrot, to help lock in moisture, soothing extremely dry skin, protecting against environmental stressors, rejuvenate and nourish the skin for an even toned, glowing complexion.	Daucus Carota Sativa Seed Oil Theobroma Cacao Seed Butter Butyrospermum Parkii Butter Prunus Amygdalus Dulcis Oil Mangifera Indica Seed Oil Theobroma Grandiflorum Seed Butter
C5 Technology	Silicone feel, without the silicone. Lightweight, silky-smooth skin conditioner that helps lock in skin's moisture and tanning results.	Proprietary Blend
Cacay Oil	Rich in fatty acids, Cacay Oil is used to help heal and hydrate the skin while also working to combat fine lines, wrinkles, dryness, dullness, uneven tone and discoloration while helping to restore luminosity.	Caryodendron Orinocense Seed Oil
Cactus Water	High in nutrients, vitamins and electrolytes, Cactus Water helps to regulate moisture levels in the skin while assisting with repairing and protecting the skin from environmental aggressors keeping it firm, radiant & healthy.	Opuntia Vulgaris Leaf Extract
Caffeine	Tightens and tones the skin.	Caffeine
Calendula Extract	Rich in antioxidants to help ward off free radical damage while also helping to soothe the skin.	Calendula Officinalis Flower Extract
Camu Camu Berries	Assist with natural body repair of tissues and collagen formation.	Myrciaria Dubia Fruit Extract Cera Alba Fucus Vesiculosus Extract
Cantaloupe Extract	Helps to boost collagen levels as well as keep skin youthful and supple.	Cucumis Melo Fruit Extract

Name	Definition	INCI name
Capuaca Butter	Helps to lock in moisture and restore skin's elasticity.	Theobroma Grandiflorum Seed Butter
Caramel	A natural bronzer.	Caramel
Caramel & Erythulose	Assists the skin in achieving a longer-lasting natural, glowing and healthy complexion while providing moisturizing and protecting advantages.	Caramel Erythulose
Carnitine	An oil absorbing amino acid that assists in decreasing oil production as well as helps to assist in breaking down fat accumulation.	Carnitine
Carrot Oil	Contains beta-carotene to fight free radical damage and rejuvenate cells for a glowing & radiant complexion.	Daucus Carota Sativa Seed Oil
Cashmere Blend	An innovative technology where the cashmere extracts work with the skin's natural moisture to increase the levels of hydration, while enveloping the skin in a breathable moisture barrier which draws extensive levels of moisture from the air and pulls it into the skin.	Proprietary Blend
CBD Isolate	Contains natural Cannabidiol	Cannabidiol
CC Cream Formula	Offers matte, airbrush like results while color correcting any red tones in the skin.	Proprietary Blend
Cell LD Technology	Increases the life span of cells, repairs cell damage and boosts collagen production for tighter, firmer, younger looking skin.	Proprietary Blend
Centella CAST	A formula created from the Centella Asiatica plant, Centella CAST restores skin's elasticity and firmness by preserving collagen and reducing the appearance of stretch marks and skin sagging. Centella CAST works to improve the skin's microcirculation to improve collagen production for a more youthful appearance.	Asiaticoside Asiatic Acid Madecassic Acid
Ceramide Complex	Essential fatty acids that help to replenish the skin's lipid levels by protecting against moisture loss and restoring a healthy natural skin barrier.	Proprietary Blend
Champagne Blend	Softens the skin & enhances the tan with a natural bronzer.	Wine Extract
Chaga Mushroom	Helps to prevent moisture loss by creating a protective, breathable moisture barrier.	Inonotus Obliquus Extract
Charcoal Extract	Absorbs excess oil on the skin and clears pores and blemishes.	Charcoal
Cherry Extract	Works to fight against inflammation and free radical damage while being an antioxidant to help combat skin dullness and hyperpigmentation. Beneficial for tanners with dry skin by sealing in moisture to maintain skin's barrier functions.	Malpighia Emarginata Seed Extract
Chicory Extract	An antioxidant that provides an immediate tanned appearance to the skin while fighting and improving signs of aging.	Cichorium Intybus Root Extract
Chickweed Extract	Provides skin with a vitamin layer to restore and repair, nourish and soothe troubled skin.	Stellaria Media Extract
Chili Pepper Fruit Extract	High in Vitamin C, Chili Pepper Fruit Extract helps to boost circulation and delivers a warming sensation, which helps to stimulate oxygen production and promote a more radiant complexion.	Capiscum Annuum Fruit Extract
Clary Sage	Balances and regulates the production of natural oil in the skin, reducing both oily and dry skin.	Salvia Sclarea Oil
Cocoa Butter	Moisturizes the skin and helps to reduce the appearance of stretch marks.	Theobroma Cacao Seed Butter
Cocoa & Shea Butter	Nourishes, hydrates, improves, protects and strengthens the skin's barrier against environmental stressors while being great for tanners with skin conditions.	Theobroma Cacao Seed Butter Butyrospermum Parkii Butter
Coconut Oil	Locks moisture into the skin while being an antibacterial that helps to reduce inflammation and dead skin cell buildup by revealing softer skin and reducing the appearance of fine lines, wrinkles and moisture loss.	Cocos Nucifera Oil
Coconut Milk	Containing essential amino acids and antioxidant benefits, Coconut Milk contains triglycerides that are known for anti-inflammatory and anti-bacterial properties that work to improve the skin's barrier by being a super-hydrator and soothing irritations.	Cocos Nucifera Extract
Coconut Water	An electrolyte that provides the skin with much needed moisture for dehydrated skin and a boost in complexion.	Cocos Nucifera Water

Name	Definition	INCI name
Coffeeberry	Rich antioxidant that helps to neutralize free radical damage and help to prevent cellular damage in the skin.	Coffea Arabica Fruit Extract
Collagen Banking Complex	A collagen infusion that aims to help replenish and preserve collagen.	Proprietary Blend
Color Fade Protection	Protects and prolongs the color your skin develops during the tanning session.	Proprietary Blend
Copper Peptide™	A skin restoring peptide that works as an antioxidant, promotes collagen & elastin repair that helps to reduce the appearance of scars and stretch marks.	Copper Tripeptide-1
Cotton & Rice Extract	Softens and hydrates the skin without added irritation.	Gossypium Herbaceum Flower Extract Oryza Sativa Extract
CoQ10	Penetrates deeply to provide antioxidants and help create collagen and elastin.	Ubiquinone
Cranberry Extract	Super fruit anti-aging antioxidant that fight free radical damage.	Vaccinium Macrocarpon Seed Oil
Cryo-Slimming Fescolat™	Helps to cool and refresh the skin without the use of menthol.	Menthyl Lactate
Cucumber Extract	Nourishes, de-puffs, calms and soothes and irritations or inflammation in the skin.	Cucumis Sativus Fruit Extract
Dead Sea Mineral Complex	Helps to improve tone and texture of the skin.	Proprietary Blend
Dead Sea Salt	Helps to cleanse pores and balance oil production while retaining moisture from within.	Sodium Chloride
Diamond Dust	Particles of diamonds that create light reflecting pigments on the skin.	Diamond Powder
DHA	A sugar cane based bronzer that reacts with the proteins in the skin to create a tanned appearance.	Dihydroxyacetone
Dragon Fruit Extracts	High in antioxidants and Vitamin C to fight free radical damage and increase collagen production.	Hylocereus Undatus Fruit Extract
Essential Orange Oil	Rich in Vitamin C, Orange Oil brightens the skin, stimulates collagen production and provides antioxidant benefits to promote a healthier, more youthful complexion.	Citrus Aurantium Dulcis Oil
Electric Daisy™	Flower derived to promote skin firmness, perfect skin contour, shrink pore size, and combat the signs of aging.	Spilanthes Acmella Flower Extract
Electrolyte Cocktail	Blend of extracts to improve skins moisture barrier and strength, calm redness, protect against environmental dehydration, and work as a vital component in maintaining hydration levels in the skin.	Proprietary Blend
Encapsulated DHA	A time released ingredient that gradually releases on the skin, providing a sustained and even distribution of color for longer-lasting tanning results.	Proprietary Blend
Ester C	Replenishes skin's moisture barrier and protects from free radical damage.	Proprietary Blend
Eterwell™ Youth	Produced from a rare plant alpine willowherb, Eterwell™ Youth helps rejuvenate healthy skin and reduce the appearance of imperfections.	Epilobium Fleischeri Leaf/Stem Extract
Exosomes	A powerful and potent ingredient that works to regenerate and rejuvenate the appearance of healthy skin cells.	Proprietary Blend
Extreme Heat Blend	Most advanced tingle and hot action formula available that increases microcirculation faster for darker results.	Proprietary Blend
Ferulic Acid	A plant based antioxidant, Ferulic Acid boosts the effect of Vitamin C in the skin to protect against uneven pigmentation, free radical damage and inflammation.	Ferulic Acid
Fision™ GlowPlex	A multi-functional skincare active containing Niacinamide and anti-aging peptides, this complex enhances glowing skin & radiance by working to blur imperfections for a more luminous complexion. Helps to minimize the appearance of dark spots and hyperpigmentation while supporting an even skin tone.	Niacinamide Pisum Sativum (Pea) Extract Chenopodium Quinoa Seed Extract
Flavoslim™	Counteracts the signs of cellulite by improving skin elasticity while also tightening, toning and firming.	Proprietary Blend

Name	Definition	INCI name
Freshtek™	A proprietary blend of deodorizing and freshening ingredients.	Proprietary Blend
Forslean™	Award winning natural ingredient that helps to dissolve fat deposits.	Proprietary Blend
Fragrance Free	Formulated without fragrance.	N/A
French Flax Seed Oil	Supports the skin's moisture barrier.	Linum Usitatissimum Seed Extract
Ginger Root Extract	An antioxidant with anti-inflammatory and anti-aging properties that helps to prevent collagen and moisture loss in the skin.	Zingiber Officinale Root Extract
Ginkgo Biloba Extract	Energizes, firms and tightens the skin.	Ginkgo Biloba Leaf
Ginseng Extract	Works to slow down early signs of aging by reducing the appearance of wrinkles, increasing the elasticity and production of collagen in the skin, reducing inflammation and working to promote an even complexion.	Panax Ginseng Root Extract
Glucosyl™	Helps the skin to restore its natural production of hyaluronic acid to help for a more youthful and toned appearance to the skin.	Cichorium Intybus Root Extract
Gluten Free Formula	Formulated without Gluten.	N/A
Goji Berry Fruit Extract	Antioxidant that helps to protect against environmental damage, promotes collagen production, reduces hyperpigmentation and rebuilds moisture levels in the skin.	Lycium Barbarum Fruit Extract
Green Clay	Helps to detoxify and pull impurities from the skin, while being gentle enough for all skin types.	Montmorillonite
Green Tea Extract	Helps to minimize signs of ageing and hyperpigmentation by protecting against free radical damage. Green Tea Extract also helps to calm and soothe inflammation with skin conditions and reducing excess oil production.	Camellia Sinensis Leaf Extract
Gold of Pleasure Oil	Helps to restore the skin's elasticity and is packed with antioxidants.	Camelina Sativa Seed Oil
Golden C™	Contains Vitamin C with micro gold particles that allow the Vitamin C to penetrate deeper into the skin for enhanced complexion perfecting effects while also targeting the appearance of fine lines and pigmentation.	Proprietary Blend
Grapefruit Seed Oil	To reduce inflammation and irritation in the skin.	Citrus Grandis Seed Extract
Guarana Extract	Natural caffeine extract that contains more caffeine than a single cup of coffee promoting firmness, fighting the appearance of cellulite and reducing inflammation.	Paullinia Cupana Fruit Extract
Guava Extract	Rich in vitamin A, vitamin C and antioxidants that help protect the skin from wrinkles.	Psidium Guajava Fruit Extract
Hair Regrowth Inhibitors	Helps to slow down the regrowth of hair on the body.	Larrea Divaricata Extract
Hemp Seed Oil	Conditions and moisturizes the skin, while helping to reduce the appearance of wrinkles.	Cannabis Sativa Seed Oil
Hibiscus Extract	Increases skin elasticity to give a stunning natural youthboost. It also evens out skin's tone and texture and deeply hydrates. Promotes a healthy skin microbiome, enhancing the skin's natural defenses and improving its overall resilience and vitality.	Hibiscus Sabdariffa Flower Extract
Himalayan Salt	Powerful detoxifier that helps to extract the toxins out of your skin leaving you feeling refreshed and nourished.	Sea Salt
Holographic Luminizer	Refracts light and allows for transparent coverage to soften, focus and illuminate the skin. It minimizes the appearance of fine lines and pores for a more refined, smooth appearance to the skin.	Proprietary Blend
Honey Extract	Naturally antibacterial packed with high levels of skin soothing antioxidants that fight breakouts and reduce the signs of aging.	Mel Extract
Hypoallergenic	Formulated hypoallergenic for sensitive skin. Less use of Allergen ingredients.	N/A

Name	Definition	INCI name
Hyalufix™	Sustainably sourced from Thai Ginger leaves, Hyalufix™ compliments the skin's natural production of hyaluronic acid. Delivering intensive and deep down cellular hydration, Hyalufix™ significantly appears to correct deep facial wrinkles, improve skin density, firm and plump the skin.	Proprietary Blend
Hyaluronic Acid	Deeply hydrates the skin by retaining moisture, plumps the skin to reduce the appearance of fine lines and wrinkles, and enhances overall skin texture and elasticity.	Sodium Hyaluronate
IdeaLift	Fights sagging skin for a toner, more youthful appearance.	Proprietary Blend
Imortelle Flower Oil	An antioxidant packed ingredient that visibly smooths and evens skin while boosting the appearance of radiance.	Helichrysum Italicum Flower Oil
Indoor/Outdoor Bronzing Blend	Low levels of DHA combined with high levels of natural bronzers allow the skin to develop natural, long lasting bronzed results.	Proprietary Blend
Ingredient Locking Technology	Forms a strong, breathable effect to the skin to allow for deeper penetration and longer lasting results from skincare additives.	PVP
Intenslim	Helps to breakdown skin's stored fat accumulation.	Butylene Glycol Globularia Cordifolia Callus Culture Extract Zingiber Zerumbet Extract Caffeine
Iso-Slim™	Works as a slimming and anti-cellulite agent while assisting in the breakdown of fat cells.	Proprietary Blend
Jackfruit Extract	Helps reduce the appearance of fine lines and wrinkles while providing a glowing complexion.	Artocarpus Heterophyllus Seed Extract
Jade	A natural mineral that helps to detoxify, moisturize and activate blood flow in the skin. Jade contains a variety of essential nutrients for the skin to combat inflammation and maintain skin health. Proven to help eliminate water loss from the skin for a smoother, more radiant and toned appearance.	Nephrite Powder
Japanese Rose™	Refines pore size while boosting collagen production and reducing excess oil.	Rosa Damascena Extract
Joboba Oil	Intense skin softener and skin hydrator to keep your tanning results lasting longer.	Simmondsia Chinensis Seed Oil
Kakadu Plum	Reduces the appearance of red tones, masks dark spots, and soothes blemish prone skin while leaving skin with a natural glow.	Terminalia Ferdinandiana Fruit Extract
Kale	Packed with Vitamins A & C to fight free radical damage and boost collagen production.	Brassica Oleracea Botrytis Extract
Keratoline™	An AHA alternative, Keratoline™ gently exfoliates to reveal youthful and toned skin.	Bacillus Ferment
Kollaren™	Potent skin repairing and collagen producing peptides. Aids in reducing the appearance of blemish scars & stretch marks, boosts tissue renewal, and promotes smoother looking skin.	Proprietary Blend
Kukui Nut Oil	Soothes dry skin and improves skin's overall condition.	Aleurites Moluccanus Seed Extract
Lavender Oil	A non-comedogenic essential oil that helps to moisturize the skin, is an antibacterial, great for tanners with skin conditions, helps to soothe inflammation and has antioxidant properties.	Lavandula Angustifolia Oil
Lemon Extracts	Helps promote collagen production for a more youthful appearance.	Lactobacillus/Lemon Peel Ferment Extract
Lipochroman-6	Helps to reduce stressed caused oxygen loss in skin and the appearance of skin cell damage.	Dimethylmethoxy Chromanol
Liquid Glass Technology	A breakthrough ingredient that reduces wrinkles while shrinking and minimizing pore size.	Proprietary Blend
Liquid Gold Elixir™	Rich in essential vitamins to improve skin's elasticity.	Proprietary Blend
Lotus Flower Extract	Age defying, hydrating and radiance boosting.	Nelumbo Nucifera Flower Extract
Lychee Fruit	Calms skin inflammation, redness and irritations while promoting an even skin tone and containing antioxidant properties that fights against free radical damage.	Litchi Chinensis Fruit Extract

Name	Definition	INCI name
Macadamia & Almond Oil	Helps to maintain a healthy and radiant glow to the skin by keeping the skin naturally soft and hydrated and protecting against water loss.	Macadamia Ternifolia Seed Oil Prunus Amygdalus Dulcis Oil
Macadamia Oil	Quickly penetrates the skin to soften, tone and moisturize. Also, a natural bronzer.	Macadamia Ternifolia Seed Oil
Maca Root	Boosts radiance in skin's complexion.	Lepidium Meyenii Root Extract
Mandelic Acid	Works as a gentle exfoliant to reveal fresh, youthful skin while demising the appearance of fine lines, wrinkles, dark spots and dullness.	Mandelic Acid
Mango Butter	Hydrating butter made from mango seeds that is high in antioxidants that work to deeply moisturize and leave the skin glowing while boasting skin cell repair.	Mangifera Indica Seed Oil
Mangosteen Extract	Rich in antioxidants that help reduce the appearance of fine lines and wrinkles while providing a hydrated, glowing complexion.	Garcinia Mangostana Peel Extract
Maracuja Oil	Rich in essential nutrients and antioxidants for maintaining skin health, Maracuja Oil also helps to address and soothe damaged, dry and blemish prone skin for a brighter, more even tone.	Passiflora Edulis Fruit Extract
Marine Bio Retinol	Suitable for sensitive skin, this blend contains a retinol alternative that has all the benefits with none of the irritation. A blend of ingredients that helps to deliver outstanding targeted & enhanced delivery into the skin to fight hyperpigmentation, firm elasticity and soften wrinkles.	Proprietary Blend
Marshmallow Extract	Reduces skin irritations.	Althea Officinalis Leaf/Root Extract
MelaDark	Assists the skin in developing the perfect golden tan.	Proprietary Blend
MelanoBronze™	Stimulates the natural melanin formulation and leads to enhanced pigmentation.	Proprietary Blend
Melactiva™	Melanin synthesizer for darker, longer lasting results.	Proprietary Blend
Mel[o]stem™	The first new plant derived active ingredient that has been clinically found to improve the skin's complexion and signs of aging by targeting dark spots and white spots for a more even tone.	Monarda Didyma Callus Extract
Moisture Lock Technology	Visibly reduce the look of pores and imperfections for perfected, non-greasy hydration.	Proprietary Blend
Monoï Butter	Helps to repair skin's moisture barrier.	Prunus Amygdalus Dulcis Oil
MossCellTec™	A new anti-aging concept that works to constantly improve moisture levels in the skin while adapting to and protecting skin from stressful environmental changes.	Phytol, Isomalt
Multi-Use Formula	Formulated for use in different types of equipment.	Proprietary Blend
Myramaze	Potent antioxidant which effectively moisturizes dry skin while toning, revitalizing and soothing.	Myrothamnus Flabellifolia Extract
Plant Based Silicone	A plant-based silicone alternative that creates a silky soft finish, while improving moisture levels, softness and smoothness of the skin while being spray tan friendly.	Proprietary Blend
Neuroglow™	Helps to enhance the skins radiance and reduce dullness to help overall tone and complexion appear more vibrant and luminous.	Brassica Oleracea Acephala Leaf Extract Maltodextrin
Niacinamide™	Contains high levels of B3 to improve skin elasticity, fight breakouts, even out skin tones and enhance skin's natural barrier to lock in moisture.	Niacinamide
Nicomenthyl™	A derivative of Niacinamide, Nicomenthyl™ helps to nourish, repair, detoxify and oxygenate damaged skin while adding a cooling effect and increasing microcirculation.	Menthyl Nicotinate
Nouritan™	Stimulates tyrosine activity and promotes an even and long-lasting tan.	Proprietary Blend
Nut Free	Formulated without nuts.	N/A

Name	Definition	INCI name
Oat Extract	Absorbs excess oil on the skin, helps to reduce blemishes and has anti-inflammatory properties to help treat dry skin and slough off dead skin cells.	Avena Sativa Kernel Extract
Oil Free	Formulated without oils.	N/A
Olive Oil	Natural humectant combats dry skin and provides extended hydration by drawing moisture from the air.	Olea Europaea Fruit Oil
Organic Grape Water	A power packed prebiotic that can help to improve the skins microbiome to reveal fresh, healthy looking skin.	Vitis Vinifera Fruit Oil
Pacifeel™	Known as the marvel of Peru, Pacifeel™ helps the skin absorb skin perfecting agents.	Mirabilis Jalapa Extract
Papaya Extract	Helps to decrease inflammation, remove dead skin cells and unclog blocked pores.	Carica Papaya Fruit Extract
Paraben Free	Free from chemical preservatives.	Proprietary Blend
Peach Extract	Antioxidant rich fruit extract that helps rejuvenate, hydrate and provide a natural glow to the skin.	Prunus Persica Leaf Extract
Pepha-Age™	Reduces skins hyperpigmentation and restores even skin tone after light exposure.	Scenedesmus Rubescens Extract
Pepha-Tight™	Helps the skin to appear more firm, more revitalized and firm.	Nannochloropsis Oculata Extract Pullulan
Peppermint Extract	Provide skin soothing and healing properties while fighting skin inflammation and red tones.	Mentha Piperita Oil
pH Balancing Blend	Maximize your session with pH balancing agents that allow for optimal product absorption into the skin for optimal results.	Proprietary Blend
pH Stabilizers	Maximize your session with pH balancing agents that allow for optimal product absorption into the skin for optimal results.	Proprietary Blend
Photosomes	Used with any light therapy and helps protect the skins immune system.	Proprietary Blend
PhloreTan™	Antioxidant blend that works to reduce dark spots and even out skin tone.	Proprietary Blend
PhytoCellTec™	Protects longevity of the skin while combating chronological aging and preserving the youthful look of skin.	Malus Domestica Fruit Cell Culture Extract
Phytic Acid	Utilizes gently exfoliating to help shed off dead skin cell buildup to reduce the signs of aging and provide vital antioxidants and nutrients to the skin.	Sambucus Nigra Fruit Extract
Pineapple Extracts	High in antioxidants and Vitamin C to fight free radical damage and increase collagen production.	Ananas Sativus Fruit Extract
Pink Grapefruit	A gently natural exfoliant that helps to fade dark spots and nourish skin.	Citrus Grandis Seed Extract
Pink Pomelo Extract	High in antioxidants that prevent skin damage.	Proprietary Blend
Plant Based Stem Cells	Helps to promote cell turnover and increase collagen production for a more youthful appearance.	Proprietary Blend
Plum Oil	Rich oil that offers a non-greasy and silky skin feel that moisturizes skin. Calms irritation and is ideal for all skin types, especially blemish prone and extremely sensitive/allergy prone skin.	Prunus Domestica Seed Oil
Pomegranate	Power-packed with antioxidants to help reduce environmental stress and damage to the skin while also working to decrease puffiness.	Punica Granatum Fruit Extract
Porcelain Flower Extract	Hydrates and nourishes the skin while helping to promote a crystal-clear complexion.	Hoya Lacunosa Flower Extract
Pore Refining Blend	A blend of Baobab, Witch Hazel & Apple Cider Vinegar combats oily skin and blemished skin formations, fights signs of aging and hyperpigmentation all while promoting a healthy skin barrier with a minimized appearance of enlarged pores.	Hamamelis Virginiiana Water Apple Cider Vinegar Adansonia Digitata Seed Oil
Powerful Peptide Complex	Potent multiple peptide complex to help combat the appearance of wrinkles and aging while promoting a more sculpted, lifted and youthful appearance.	Proprietary Blend
Prebiotic Blend	Works to improve the complexion by balancing the skin's natural barrier and helps to influence the speed and regrowth of healthy skin while repelling the environmental conditions that cause inflammation.	Proprietary Blend

Name	Definition	INCI name
Probiotic Blend	A repairing enzyme that helps to soothe and strengthen the skins barrier against environmental aggressors.	Proprietary Blend
Radiant Enhancing Oil Blend	A blend of Castor, Coconut & Argan oils that all help soothe irritated and inflamed skin due to skin conditions that leave the skin dry and flaky. This helps with fighting environmental elements, redness and blemished skin formations to leave the skin with a clear and complexion.	Argania Spinosa Kernel Oil Cocos Nucifera Oil Ricinus Communis Seed Oil
Raspberry Butter	Balances out the skins oil production to help fight blemished skin formations while intensely hydrating the skin to help soften fine lines & wrinkles and combating oxidative damage to the skin.	Rubus Idaeus Seed Oil
Raspberry Extracts	High in Vitamin C, raspberry extracts can help to reduce the signs of aging as well as target dark spots and wrinkle formations in the skin.	Rubus Idaeus Seed Oil
Raspberry Ketone	This natural ingredient includes natural erythulose, a ketone sugar that interacts with the amino acids in your skin, resulting in a golden brown hue.	Raspberry Ketone
Red Raspberry Seed Oil	Antioxidant the fights free radical damage and detoxifies blemish prone skin.	Rubus Idaeus Seed Oil
Red Tourmaline	A colored crystal containing natural energy made with iron and magnesium, works to extend the beenefits of Infrared light. Red Tourmaline boosts microcirculation and vitalizes the skin leading to a more clear, radiant and healthy looking complexion.	Tourmaline Kaolin Quartz
Red Wine Extract	Super fruit anti-aging antioxidant that fight free radical damage.	Wine Extract
Regu-Sense™	Its unique mechanism helps to delay the natural aging process while reducing collagen loss.	Asparagus Officinalis Stem Extract
Reneseed™	Helps to rejuvenate the skin by enhancing elasticity, reducing the appearance of fine lines, and promoting a smoother, more youthful complexion.	Nicotiana Benthamiana Hexapeptide-40 sh- Polypeptide-76
Renovage™	Firms, hydrates and plumps the skin while reducing the appearance of wrinkles and aging.	Teprenone
Resveratrol™	Potent antioxidant that fights free radical damage caused by environmental stressors while increasing collagen production and smoothing out fine lines.	Resveratrol
RevitaFit	Tones and tightens the skin.	Proprietary Blend
Rice Extract	Soothes and softens the skin without added irritation.	Oryza Sativa Extract
Rose Bouquet Blend™	A proprietary blend of 6 rose stem cells and 6 rose extracts help to repair, regenerate and rejuvenate skin. Reduces appearance of fine lines and wrinkles, skin sagging, dehydration and dullness.	Proprietary Blend
Rose Water Extract	Helps to balance the skin's pH levels, reduce redness, and provide antioxidant benefits leaving the skin refreshed and glowing.	Rosa Damascena Flower Water
Rosehip Seed Oil	Helps to speed up cell maturation and turnover, which results in a bright and more even complexion.	Rosa Canina Fruit Oil
Rosemary Oil	Has natural astringent properties that help fight blemish formations, inflammation, large pores and free radical damage.	Rosmarinus Officinalis Leaf Extract
Sea Buckthorn Berry	Noted for high levels of Vitamin C and Omega Fatty Acids, Sea Buckthorn Berry helps with improving the skin's tone and texture, protects against moisture loss and strengthens the natural barrier to protect against dehydrating environmental elements.	Hippophae Rhamnoides Fruit Oil
Sea Kelp	Reduces toxins while adding superior hydration as well as anti-inflammatory and anti-aging benefits.	Macrocystis Pyrifera Extract
Seaweed Extract	Draws toxins out of the body.	Fucus Vesiculosus Extract
Sensitive Skin Formula	Formulated for sensitive skin tanners in mind.	N/A
Seppi-Lift™	An anti-aging active ingredient that works to moisturize the skin while providing a triple firming action for wrinkle correction on the AminoVector™ tree.	Dipalmitoyl Hydroxyproline
Shea Butter	Improves skin tone, helps retain moisture.	Butyrospermum Parkii Butter

Name	Definition	INCI name
Silicone Emulsion	Provides a velvety feel to the skin while locking in moisturizing agents to deliver intense, long-lasting hydration.	Proprietary Blend
Silk Proteins	Acts as a protective shield of hydration, holding in essential moisture and strengthening the skin's barrier function without weighing it down or clogging pores.	Silk Amino Acids
SkintightAP™	Helps make the skin look firmer, revitalized and regenerated.	Nannochloropsis Oculata Extract
Snow Mushroom	Hydrates the skin by helping to retain moisture, improve skins elasticity, and create a plump, dewy complexion.	Tremella Fuciformis Extract
Sodium HA	Plumps and moisturizes the skin while reducing the appearance of wrinkles.	Sodium Hyaluronate
Solarepare MB™	Reduces the reactivity of skin cells and blood vessels that can lead to erythema so you get a darker, longer lasting tan by alleviating UV induced damage while aiding in and improving hydration.	Magnolia Biondii Flower Extract
Spearmint Oil	To reduce inflammation and irritation in the skin.	Mentha Spicata Herb Oil
Spilanthes Flower Extract	Helps reduce the appearance of fine lines and wrinkles for smoother, more youthful looking skin.	Spilanthes Acmella Flower Extract
Starfruit Extract	A super fruit antioxidant containing Vitamin C that works to boost collagen production for a more youthful appearance, smooths fine lines and wrinkles while plumping the skin.	Averrhoa Carambola Fruit Extract
Strawberry Extract	Rich antioxidant that helps to reduce dark spots.	Fragaria Vesca Fruit Extract
Striover™	Utilizing a combination of two plant based compounds, Striover™ helps improve energy in the skin to increase elasticity and reduce the appearance of stretch marks.	Astragalus Membranaceus Root Extract Codonopsis Pilosula Extract Sodium Benzoate Potassium Sorbate
Sugar Extract	Gently exfoliates to remove dead skin cells.	Sucrose
Sugarcane Extract	Works as a natural antibacterial, packed with high levels of skin soothing antioxidants that fight breakouts and reduce the signs of aging.	Sucrose
Sugarcane Derived Squalane	Helps to provide weightless hydration, balance excess oil, soothe, and promote a plump, firm appearance.	Squalane
Sulfate Free Formula	Formulates without sulfates to not dehydrate or strip the skin of color or natural oils.	N/A
